

Juniata Christian School Enrollment 2023 - 2024

Explanation of Fees

Class Fee: The class fee is applicable to all 7th through 12th grade students. It is charged once a year by invoice from the schools financial office. The money is held in an account assigned to each graduating class (2023, 2024 etc) until they reach their year of graduation. The funds are used to supplement the senior year fundraising for the senior class trip. The senior trip is an academic requirement for graduation. The senior trip is planned to be a time of spiritual growth, social growth, academic growth, and FUN. The senior trip is two full weeks. We spend a week at the WILDS Christian camp in North Carolina, and then we see sites in Washington D.C, Philadelphia, New York City, Boston, and Gettysburg. It is a snapshot tour of our country's early history.

Fee Amount: \$125 per student per year (non – refundable)

Note: students who enter after 7th grade are required to make up payment each year

Sports Fee: Our sports fee is charged to each student who participates in one of our sports. There is a charge for each sport played. The purpose of the sports fee is to allow us to provide excellence in uniforms, equipment, and coaching for our sports program. The gate fee we charge at each of the sporting events generally breaks even in covering the officiating fees; therefore, it is supplemented through this fee and concessions.

Fee Amount: \$35 per student, per sport played

Charged per sports season (fall, winter, spring) via invoice from the financial office

Chromebook fee: In an effort to provide an educational experience that will prepare each student for both college and life, several years ago, JCS determined to have a one per student lap top issued for the student to be able to access homework assignments, communicate with teachers, and complete and submit assignments. Currently, the majority of colleges operate all of their schedules, classwork, assignments, and messaging via digital portals. Providing this, on a limited scale at JCS, helps reduce the learning curve as our students move forward to the next stage of their journey. The Chromebook fee covers updates, replacements, and repair.
